

JOEL HIGUERA

I am currently enrolled in a full stack web development coding bootcamp with the University of Utah/Trilogy. I am looking for an opportunity to apply the coding skills I've learned and contribute to a team.

WORK EXPERIENCE

Lone Peak Hospital, Draper, UT — *Central Processing Supervisor*

08/2020 - Present

Responsible for ensuring all surgical supplies, instruments and equipment are properly decontaminated, assembled, inspected, packaged, sterilized, and distributed. I am accountable to have supplies, instruments and staff ready for all applicable Surgical Service's needs.

Lone Peak Hospital, Draper, UT — *OR Materials Coordinator*

03/2019 - 08/2020

Coordinated the procurement of materials/supplies for the OR. Strived to meet the requirements of the OR while striving to meet fiscal goals. Reviewed on hand product to find more efficient/cost saving alternatives while meeting or exceeding the OR needs. Worked diligently to provide the OR/hospital with supplies needed to provide the best patient care possible.

Lone Peak Hospital, Draper, UT — *Central Processing Tech*

07/2017- 03/2019

Responsible for the sterility of surgical instruments following IAHCSMM and AMII guidelines. Coordinated with the OR Director and staff to ensure proper instrumentation was available and sterile for surgery.
